Dear Prime Minister Theresa: May

This **NOTICE** is what it says, it is to put you on **an interlocutory NOTICE of LIABILITY** for the damages enclosed, perpetuated by the PLC of the UNITED KINGDOM against living state nationals forced into exile 5 years ago by frauds on the courts being committed under your control.

This is not the 1st time we have written to you and all you have done is pass the matter back down to the criminals committing the frauds upon us and therefore providing **ZERO in remedy** and so we feel no alternative but by this **SMART CONTRACT NOTICE of LIABILITY to THE UNITED KINGDOM PLC PM** is the only option now available to us.

The British Public have under democracy voted in favour of release from EU control meaning in its entirety **especially EU LAWS** in which I could drone on with all the legal reasons about the true acts of TREASON committed 40 years ago to take us into the common market by a paedophile PM back then, but, such is life. LIFE as it so happens, my life and my disabled pensioner mums life has been trashed by the STATE.

It is with deep regret that I now have no alternative but to formerly attach you personally, privately and commercially alongside the UK PLC to this contract, failing a resolution forthcoming within the next **30 days**, adding a sum befitting the status and reflecting the damage to us, of **£50,000,000 [fifty million pounds of gold backed currency]**

Regards **the living Mike/Ann**: Clarke of [31 Cherry Tree Rd, Blackpool FY4 4NS] that has been ring fenced by criminally concealed BAR charges.
Via such Frauds on the court we have been FORCED into Exile 5 years ago in 2013 to SPAIN.

WITHOUT PREJUDICE, ILL WILL, FRIVOLITY OR VEXATION – ALL RIGHTS RESERVED

The living beings, PRINCIPAL secured party creditors and holder in due course/executor over **MICHAEL RAYMOND CLARKE & ANN CLARKE**
