Dear Sirs

I refer to today's recent police communications on the subject of harassment as follows....

*It does not suggest that you are guilty of any offence, it is merely to alert you that your behavior is causing alarm, harassment, or distress to another. It also warns you that should you continue with the behavior outlined, criminal proceeding may be taken against you.*

It seems very appropriate to alert you, that because my mum and me have suffered substantially at your hands with regard to tort law and on this basis, this letter represents **an interlocutory notice of attachment to the liability contract lien** now formerly attached to the Ministry of Justice CEO Susan: ACLAND HOOD hereby linked.... <http://www.opg.me/1FULL70pageCONTRACT21122017.pdf>

The trespass we have suffered is all contained and you have 14 days to respond and rebut the allegations that you are now attached for 10 million pounds each.

Without prejudice ill will or vexation all rights reserved

**without prejudice UCC 1-308**  
**without recourse**
