REF CASE 2MA90015 &
REF CASE 10370284 FAMILIES

Dear Sir

I wrote to you on the 28th April 2012 to express concern, about various matters linked here;
<http://opg.me/Manchester%20Civil%20Justice%20Centre.pdf>
or attached in this faxed letter to your fax of 06162405050

I requested 5 items of information inclusive of the signed copies of the orders given by the Judges;
SHARP
FOSKITT
JACKSON

We believe we are being deliberately denied, or deprived of due process in both these cases.
We believe in order to set these 2 cases aside it is necessary to complete statutory declarations to state such a denial or deprivation of due process & associated rights.

Can you please confirm availability in order to make such declarations?

Please confirm by return to our email of mike@rake.net or fax to +44 1253 928008
