I am in receipt of a response, **short as it is** – dated 17/3/2017@11am

Dear Mr Clarke

Thank you for your letter of 14 March addressed to Susan Acland-Hood as Chief Executive of HM Courts & Tribunals Service. I have been asked to reply on her behalf.

I confirm we received your courtesy notice dated 9 March 2017.

1. Mr Clarke is not my name. i, man did not write to you as the PERSON MR. Clarke, i wrote as man as-king. You are aware under the Cestui Que Vie Act of 1666 that the sentient living man has been usurped/defrauded by non-disclosure into an ALL CAPS PERSON trust with title MR. that i, man do not claim the title as my name, my name is Mike: of the house of Clarke. i am the sole creditor/beneficiary & executor of the said trust. YOU as my servant are falsely administering such a trust by FRAUD and i hereby advise you to discontinue doing so.
2. **c: worsley** states as servant of "customer investigations team". As man, as-king i am NOT a customer of your CORPORATE courts.. The corporate courts are conducting THE HUGE FRAUD of personage and barratry upon THE ALL CAPS NAME of MARITIME ADMINISTRATIVE FRAUD that has in fact, in a manner of masonic piracy, hijacked the service of HER MAJESTIES COURTS whom gave real & true access to justice for man on man, into CORPORATE HMCTS hence the office of Chief Executive Officer by SUSAN ACLAND-HOOD whose private capacity as wo/man **susan: acland-hood** can be held to account under international law for FRAUD.
3. YOUR masonic corporate fraudulent actions are at the root of our injustice that i man provide due notice here and now that my denied access to court is providing TORTS that are by international law already breached.
4. By this notice hereby served i man require access to Queen's Bench court de jure to find remedy to corporate injustice that you both are now noticed upon.
5. Please respond urgently.

Regards,
