

Many of our world's leader's worship Satan, and are willing servants of EVIL but many are confined to calling them criminals. They are controlled by Satan, the god of this world (2nd Corinthians 4:4). Satan controls these men through the occult (i.e., "hidden" organizations). Jesus said "in secret have I done nothing" (John 18:20), because He had nothing to hide. Why the secrecy from our nation's top leaders? "Skull and Bones is of the Devil. Freemasonry is of the Devil. Nearly 2,000 carefully selected government officials, corporate tycoons and other luminaries—men with power to shape the future—assemble privately every July in a redwood forest about 65 miles north of San Francisco. The meeting includes a somber ritual that features the Druidic burning of an effigy on the alter, chants from a robed chorus, and wild drinking and promiscuity. Richard Nixon once famously described the gathering as "the most faggy G\_ddamned thing you could ever imagine." The bizarre Pagan ritual of the Bohemian Grove—the Cremation of Care ceremony—is practiced by its members (all men), including both Presidents Bush, Bill Clinton, Ronald Reagan, Alan Greenspan, Richard M. Nixon, Jimmy Carter, Walter Cronkite, Colin Powell, and Henry Kissinger to name but a few. The meeting is held every July. It is purported that Obama and McCain visited Bohemian Grove in July of 2008. In the following full-length documentary films by syndicated radio host Alex Jones, you will learn the shocking truth about Bohemian Grove. Actual witches and warlocks (not members of the grove) gather and dance outside the gates, praying to Satan, summoning demons to Bohemian Grove (see 25 to 28 minutes in the Order Of Death documentary below). It is a fiesta of occult activity. It is the evil equivalent to a prayer meeting of believers before Pentecost; in this case it is witches and warlocks calling forth demons prior to the Bohemian Grove occult gathering. These are our nation's leaders worshipping a 40-foot owl!!! You couldn't make this stuff up... If you're still doubting reality. The November 1989 edition of SPY magazine featured photos of Bohemian Grove men dancing around dressed up as women. The article included artist renditions of the Moloch idol and discussed how they bus in male prostitutes and how AIDS is a big problem. In July of 2004, a New York Post article reported how a top gay-porn star, Chad Savage, serviced the moguls at the Bohemian Grove. Bigwigs who have attended the two-week retreat include George H.W. Bush, Dick Cheney, Alan Greenspan, Walter Cronkite, Newt Gingrich, Alexander Haig, Jack Kemp, Henry Kissinger, Colin Powell, John Major, William F. Buckley, Justin Dart, William Randolph Hearst, Jr., Caspar Weinberger, Charles Percy, George Schultz, Edward Teller, and former C.I.A. director William Casey. The Canaanite deity, Moloch, was worshipped in Greece, Babylon and later in Europe. It is normally symbolized by a bull or an owl, or some type of horned beast, and children are sacrificed to it. It is the precursor of all modern death cults. What purpose does this all serve, having world leaders congregate and engage in an ancient Canaanite ritual of mock child sacrifice? It is a way of binding them together. No where is the origin of the cult more in evidence than in former German chancellor Helmut Schmidt's own autobiography, MEN IN POWERS: A POLITICAL RETROSPECTIVE. He talks about how they have their own German groves, where they do Druidic rituals, but his favorite place to do the rituals is at Bohemian Grove. This is a book you can get at the library, written by Schmidt. He talks about the Trilateral Commission, the Council On Foreign Relations (CFR), the Bilderberg Group and world government. He says that much of the decisions are made at the Bohemian Grove. The CEO of IBM, Thomas J. Watson, was a member of Bohemian Grove, a position that was shared by his good friend, the fascist totalitarian leader of the Nazi regime, namely Adolf Hitler. IBM Germany (known in those days as Dehomag) was totally and utterly immersed in the Nazi war rollout. Nearly every Nazi concentration camp operated a Hollerith department known as the Hollerith Abteilung. The five-digit Hollerith number and customized punch card system devised by IBM was software programming in its earliest forms. These Hollerith machines computerized the civil and slave labour resources allowing for a streamlining of the process. These IBM leased Hollerith machines matched worker skills and locations with labour needs during the building of the Nazi war machine. The prisoner was worked until he was exhausted and then exterminated by gas or bullet. Fast forward to today. IBM Credit Corp. is funding the parent company of the Verichip, Applied Digital Solutions. In this ceremony, a giant 40-foot OWL is worshipped, and child being is sacrificed in effigy. The occult has always been synonymous with idolatry and Satanism. David Rockefeller is also a member of this Satanic group. Arnold Schwarzenegger

has also attended its meetings. Bohemian Grove is believed to be an offshoot of the Nazi based Skull and Bones (officially known as The Order Of Death). Isaiah 42:14 and 17, "I have long time holden my peace; I have been still, and refrained myself: now will I cry like a travailing woman; I will destroy and devour at once. ...They shall be turned back, they shall be greatly ashamed, that trust in graven images, that say to the molten images, Ye are our gods." Please understand that I don't condemn anybody for their sins, for we are all hell-deserving sinners in God's eyes. The Bible condemns all humanity (Romans 3:10-23). JESUS CAME TO SAVE SINNERS! My intent is not to judge anyone; but rather, to expose the occult groups and Satanic powers behind the New World Order. Truth is stranger than fiction. God condemned Molech (Moloch) worship and human sacrifice in the Bible. Why would world leaders worship a 40-foot owl god (clearly Moloch, since they burn a human being upon the alter). They offer up child sacrifices at Bohemian Grove, but God condemns such wickedness... Leviticus 20:2-3, "Again, thou shalt say to the children of Israel, Whosoever he be of the children of Israel, or of the strangers that sojourn in Israel, that giveth any of his seed unto Molech; he shall surely be put to death: the people of the land shall stone him with stones. And I will set my face against that man, and will cut him off from among his people; because he hath given of his seed unto Molech, to defile my sanctuary, and to profane my holy name." God never changes (Malachi 3:6; Hebrews 13:8). God hates the same sins today that he did in ancient times. Molech worship has survived for millenniums and is still widely practiced throughout the world today. "If my neighbor was worshipping a 40-foot stone owl and burned children on a fire, I wouldn't let that neighbor walk my dog or baby-sit my children. Instead these people are baby-sitting the big red button ... This is some sick stuff." -Alex Jones The Owl and Luciferianism The Bohemian Club is a rich-man's organization that holds a two-week "camp" in northern California every year at the end of July. This strange and secretive group, which have received very little press coverage, have a 40-foot owl as its central symbol. Each year, approximately 1,500 of America's most influential CEO's, government officials, financiers, industrialists, and media moguls gather to hear speeches, network, and share common agendas. They also perform Druid-like ceremonies before a huge stone owl, complete with robes, fire, incantations, and other rituals. Romans 1:22,23 comes to mind... "Professing themselves to be wise, they became fools, And changed the glory of the uncorruptible God into an image made like to corruptible man, and to birds, and fourfooted beasts, and creeping things." To help you lose more sleep tonight, take a look at what's hidden on every U.S. one dollar bill, that's right, an owl... There is a small owl just to the left of the "1" which appears on the upper right hand corner of the Dollar Bill. But what does the owl symbolize? The owl is a symbol of wisdom. Owls can see in the dark. They can see what we cannot see. Likewise, members of the Illuminati are privileged to information that is hidden from the general public. The owl is a nocturnal bird of prey with strong talons. The owl has been associated with wisdom, books, Occult knowledge, shamanism and other spiritual matters. As mentioned, the owl is a bird of the night, so an association with the moon is also suggested. They have short tail feathers and are silent in flight, stealth like. They seem curious about things but are happy to sit and wait until the time is right to obtain their goals (catch or conquer their prey). The demon goddess Lilith is represented throughout history as an owl. A study of the demon goddess of Lilith will reveal the dark secrets behind the owl of Bohemian grove. Few magickal orders exist dedicated to the undercurrent of Lilith and deal in initiations specifically related to the Aracana of the first Mother. Two reputable organizations that progressively use initiations and magick associated with Lilith are the Ordo Antichristianus Illuminati and the Order of Phosphorus. Author Joshua Seraphim has written three texts associated with the egregore of Lilith entitled "Rite of Lilith," "Confessionis ex Lilitu," and the "Lamentations of Lilith." Lilith appears as a succubus in Aleister Crowley's De Arte Magica. Lilith was also one of the middle names of Crowley's first child, Ma Athathoor Hecate Sappho Jezebel Lilith Crowley (b. 1904, d.1906). She is sometimes identified with Babylon in Thelemic writings. A Thelemic rite, based on an earlier German rite, offers the invocation of Lilith (warning: an article on how to summons Satan). Read here about the wicked witchcraft of Lilith, and how it relates to the OWL... Lilith is the mythological first wife of Adam. She, like Adam, was created by God "from

the dust of the earth. . . in the image of God He created them, male and female He created them" (Gen. 1:27) being the first reference to human life in the Bible. It would seem that Eve came later, fashioned from a rib taken from Adam while he slept : ". . . this is to be called Woman, for this was taken from Man". (Gen. 2:24) This strange anomaly can only be explained by assuming that there was a female human before Eve. Since only Eve is subsequently present in the Garden of Eden, her predecessor must have departed before Eve's arrival on the scene. One can only assume that Lilith's near total absence (aside from oblique references to "screech owls") from the Judeo/Christian Bible is a matter of prejudice on the part of the male patriarchal authors. Semitic legend describes Lilith as having a "base" nature and a taste for biting Adam and drinking his blood. She had refused to submit to Adam's authority (and a preference for being "on top"), and in a fit of pique, she uttered the ineffable name of God and flew up into the air, only to be cast down by God into the desert wastes where she took up residence. (The only mention of Lilith by name in the standard Christian Bible is in Isaiah, where a passing reference is made about her living in the desert.) Lilith is described as either a winged serpent or a screech owl (or a anthropomorphic combination thereof) who murders infants (it would appear from the perspective of modern medicine that infants who succumbed to Sudden Infant Death Syndrome would have been thought to have been victims of Lilith), and who torments men at night who sleep alone -- the original succubus. In modern mythology Lilith has become a symbol to many feminists of the independent woman, who refuses to submit to the control of men. While this is certainly an aspect of her egregore, there is a strong sexual component to Lilith's nature that must also be recognized. She is more than just an "uppity woman", she is the power of primal lust in female form. And also, she is Death, and this cannot be ignored when working with her magically. A 2006 occult work by ceremonial magickian Donald Tyson, titled Liber Lilith details the secret cosmology for the 'Mother of Harlots' and spawn of all nightbreed monsters Lilith. The book proclaims itself as saved from the ashes of Dr Dee's library at Mortlake in the 1580's. Just as Lilith is the demonic god of Bohemian Grove, so is Baphomet (the son of Lucifer and Lilith) the demonic god of Freemasonry. Do you see how all these demonic occult organizations are linked together? In modern Luciferianism, Lilith is considered a consort and/or an aspect of Lucifer and is identified with the figure of Babalon. She is said to come from the mud and dust, and is known as the Queen of the Sucubi. When she and Lucifer mate, they form an androgynous being called "Baphomet" or the "Goat of Mendes," also known in Luciferianism as the "God of Witches." -SOURCE: The Church of Lucifer. Bohemian Grove is rooted in Luciferianism!!! The writings by Micheal Ford, "The Foundations of the Luciferian Path," contends that Lilith forms the Luciferian Trinity, composed of her, Samael and Cain. Likewise, she is said to have been Cain's actual mother, as opposed to Eve, but through her. Lilith here is seen as a goddess of witches, the dark feminine principle, and is also known as the goddess Hecate. -SOURCE: Black Witchcraft: The Foundations of the Luciferian Path After traveling from Austin, Texas to San Francisco, Alex Jones and the other members of his team, Violet Nichols and Mike Hanson, met up with the British filmmakers and began a three-day investigation before attempting to enter the Grove. On July 15, 2000, Alex Jones and Mike Hanson, equipped with two hidden video cameras and disguised as members of the Bohemian Club successfully infiltrated the elite cult compound. The following detailed report of what they found is absolutely shocking... (I know how bizarre this all sounds, just remember that we have all of this on tape in my video, Dark Secrets: Inside Bohemian Grove (watch now on Google for free), which has aired nationally in the United Kingdom, and might air here in the United States, unless it is suppressed.) So, the priest talked about "goodly Tyre and Babylon." Well, there is only one "great owl" of Babylon and "goodly" Tyre. If you read your Bible, or any historical document of the time, they were burning children in the Babylonian and Canaanite kingdoms before the owl-god Moloch. Suddenly, (again, we had initially been misdirected from the owl by the activities behind the curtains across the bank, then we were paying attention to the owl and the priests on the island ) back on the west bank, there was an old-fashioned river-style boat, with that grim reaper character who had been driving the wagon, and he was poling himself across the water with the bound body up on the bow. He brought the bound body to the high priest who was waiting for it at the foot of

the owl, at the bottom of large circular steps on which the owl sits. Then, in very macabre fashion, the two black-clad priests rubbed and caressed the sacrificial body and brought it before the owl. The body begged for its life, over a speaker system. They refused it mercy. They took it up onto the altar. The "great owl" told them to burn the body (which they called "dull care,") which looks like a human wrapped up in black cloth. Right above the altar there was a large stone lamp that was burning that they call the "eternal flame." The high priest took an unlit torch and lit his torch with this flame. The body again begged for mercy. The high priest then walked down (with some difficulty, because this high priest was so old, he could hardly even walk), and lit the pyre on fire. He began to say that he would read the signs in the remains, a deep occult tradition. This is not the Hollywood devil with red pajamas - this is the real deal, Babylon mystery religion-style. The body continued to scream in pain. Suddenly, all of those little metal crosses that we had seen along the bank during the day burst into flame. So, I was there witnessing something right out of the medieval painter Hieronymus Bosch's Visions of Hell: burning metal crosses, priests in red and black robes with the high priest in a silver robe with a red cape, a burning body screaming in pain, a giant stone great-horned owl, world leaders, bankers, media and the head of academia engaged in these activities. It was total insanity. So the ritual ended and all the old men started breaking up and going back to the big hall in the giant redwoods. Myself and Mike Hanson high-tailed it out of there, walking at a brisk pace. We encountered no resistance when we left. We walked right by guards and were out on the main road, Bohemian Avenue. It is a lot easier to get out of the Grove than it is to get in, because a lot of these world leaders that you read about in the news leave the Grove to go into the small town Monte Rio. They go into the bars for prostitutes that are flown in from around the world to service them. Down the road the British media was waiting to pick us up. They asked us, "Did you get it? Did you get it?" One of the producers, John Sergeant, said, "You've done it Alex! You've blown Bohemian Grove right open!" Everyone has heard the saying "Wise as an Owl"...but do you know where this phrase comes from? The phrase comes from the "goddess of wisdom" who was sometimes depicted as an owl. A simple web-search using the terms "owl" and "symbol" turned up many references to owl as a symbol of the Greek Athena. In fact, the scientific name for owl is "Athene Noctua." Perhaps you have seen movies depicting the Greek goddess Athena and her pet Owl. Athenian coins bore the likeness of Athena on one side and an owl on the other. Indeed, these coins were called "owls." King Arthur's Merlin was always depicted with an owl on his shoulder. The owl is the unrivaled symbol of intelligence or wisdom." In the ancient mysteries Athena WAS the Owl and was the goddess of wisdom. Remember, Athena is another name for Simiramas (just in a different culture). It is also another name for Ishtar, a.k.a. Isis. The Bible makes references to men of wisdom being master builders. Isis was known as the "goddess of towers" (a master builder) and is also the "goddess of wisdom." Therefore an Owl is a fitting representation of Isis. If you look carefully around Washington DC you will find that many of the government buildings which are pagan in architectural style, have owl statues on them. Our country adopted most of it's symbolism from the Egyptian mysteries and therefore I am leaning toward believing that the owl is just another symbol of Isis to the high priests who designed the American Mysteries. Fast Facts about Bohemian Grove Founded in 1872 by 5 American men. The club lies 75 miles out of San Francisco The grove consists of some 2700 acres of land. Motto: "Weaving dealing spiders come not here". A phrase constructed by Shakespeare which basically means, leave your dirty business at the door. There is a waiting list of 1,500 VIP eager to \$2,500 for the "initiation fee" plus the yearly \$600 bill. The grove contains a massive pagan idol, an owl named "Moloch" from the scriptures. On the first Saturday of the camp, an elaborate ritual called the Cremation of Care is held just after dinner. It begins with the procession of a group of men, dressed in red pointed hoods and red robes, some of whom play a funeral dirge while others carry torches. These men also carry a rough, open coffin containing a body made of a black muslin-covered wooden skeleton. According to Domhoff [G. William Domhoff, author of The Bohemian Grove and Other Retreats], 'this is the body of Care, symbolizing the concerns and woes that important men supposedly must bear in their daily lives. It is Dull Care which must be cremated.' Mary Moore, a longtime Sonoma County activist who founded the

Bohemian Grove Action Network, which has helped organize demonstrations outside the grove since 1980, has been one of the Bohos' more rational critics. The network's Web site, at <http://www.sonomacountyfreepress.com/>, contains a complete listing of all the public-policy speeches that have been given by major figures over the years, including Dick Cheney's 1991 speech, "Defense Problems of the 21st Century." Moore, a staunch leftist, is adamant that the annual retreat has to do with more than just fun and games. Known Members of Bohemian Grove Both George Bushes Ronald Reagan Henry Kissinger Richard Nixon Casper Weinberger Dick Cheney Malcom Forbes Colin Powell Helmut Schmidt Stephen Bechtel (Bechtel Corp.) James Baker Jerry Cole David Rockefeller Newt Gingrich Tom Johnson (President of CNN and former publisher of LA Times. William Randolph Hearst Jr. Jack Howard Charles Scripps (Of the Scripps-Howard Newspaper publishers) Walter Cronkite (On the CBS board of management) and many more... And a host of prominent CEOs and business leaders, most of them conservative, many of them from California, 99 percent of them white men. Cremation of Care Ceremony "The ceremony... involves the burning of an effigy named Dull Care, who symbolizes the burdens and responsibilities these harried Bohemians now wish to shed temporarily. More than 100 Bohemians take part in the ceremony as priests, acolytes, torch bearers, brazier bearers, boatmen, and woodland voices, but despite many flowery speeches, they can't get the fire started. . . the perplexed Bohemians must turn to the mighty Owl for advice: "O thou, great symbol of all mortal wisdom, Owl of Bohemia, we do beseech thee, grant us thy counsel," intones the High Priest. An aura of light creates a glow around the Owl's head, and then the big bird reveals its wisdom. The High Priest must light the pyre with the flame from the Lamp of Fellowship, located conveniently enough on the "Altar of Bohemia" at the base of the Shrine. . . ." SOURCE: William Domhoff, The Progressive, January 1981 "Bohemian Bigwigs Perpetuate Canaanite Cult" From page 243 (in 1991) German Chancellor Helmut Schmidt addresses the elite of the world at a lakeside talk. Helmut Schmidt, in his own autobiography, "Men and Powers, a Political Retrospective, says that he is a member of the Council on Foreign Relations, the Trilateral Commission and the Bilderberg group. He also says that he has been an active participant in bringing in world government. Mr. Schmidt also said in his book that leaders from globalist bodies travel to the Grove every summer. He talks about secret groves in Germany where they do druidic rituals, but indicates that Bohemian Grove is his favourite place to participate in these rituals. The letters on the base of the Illuminati pyramid stand for certain numbers. And all those numbers when added up equal 1776, the year the Illuminati formed. More than one method exists for arriving at 1776. However, there is only one way to arrive at the following sequence. The Babylonian numbering system was used by the Masonic designers of the Seal. That numbering system was not based on ten, but on six. For example, "600" would be 1000, "60" would be 100 and "6" would be 10. The Occult is Trinitarian, i.e. it's main teachings are grouped in three's. The Number Sequence "93 and 93, 93"; or 600, 60, and 6 is the "current" of the new age of Aquarius - the Water Bearer, which heralds the end of the age of Pisces - the Fishes (an early symbol of Christianity) in the teachings of the Order of the Eastern Templars or O.T.O. I find that many Atheists have trouble delving into this information because as soon as they hear or see key words such as God, the devil or spirituality, they will not bother investigating further hence this spiritual battle requires just that, no religion, just spirituality...
