Dear Sirs

We refuse you to contact with our property management company. You have our email address.

To clarify matters further, my name under the laws of the land is mike: clarke and I am the son, appointee of ann:clarke & I am also under terms of ann's **living will** her sole guardian and executor that is in control of ann's affairs as directed by the will hereby linked <http://opg.me/will20082012.pdf>

You have in previous correspondence on your file allegations **of fraud, theft and mal administration** conducted upon ann by the Court of Protection, the Office of the Public Guardian and associated agents/solicitors etc inclusive of MP GORDON MARSDEN all documented upon our website attached & linked.

As a result of the currently ongoing frauds, ann, chose to leave the United Kingdom for safer shores elsewhere whilst the ministry of justice investigate the frauds currently.. having been unfortunate but to endure such frauds for years and years ann, saw no reason or logic to hold a residence in the UK and the property 31 Cherry Tree Rd was placed for sale, at the point of exchange of contracts a corrupt judge halted the sale, placing upon the land registry unlawfully, a restriction preventing such a sale.

Having deepened the fraud much further, breaching anns human rights amongst other things we point out that we have no liability here what so ever and suggest you place any such liability in the hands of those whom are preventing the sale of anns property. All DOCUMENTED on our website www.opg.me

Additionally the frauds were reported to **action fraud in LONDON** whom identified fraud to be investigated and it was passed to **LANCASHIRE POLICE** whom accepted it to investigate and then shelved it without clear reason.

We then discover that LANCASHIRE COUNCIL went bust in January 2008 but yet all its assets were transferred prior to going bust to **Lancashire Police November 2007**, which we believe by this action of FRAUD, that the LANCASHIRE POLICE are condoning fraud, **therefore refusing to investigate FRAUD.**

Within your bill it aporitions amounts to LANCASHIRE POLICE where we cannot foresee any reason to place funds in direction that are condoning fraud without fulfilling their public duty in investigating fully a crime being reported that also has the backing of ACTION FRAUD LONDON. ALL documented upon our diary website www.opg.me

The financing act has within it a section to wave such council tax bills where adequate reasoning for refusal to pay can be shown.

Without going into a lot more detail we respectfully submit that there are no grounds to apply such a tax to ann:clarke whom cannot peaceably live within this property and neither can she sell it, so, how can she be liable for tax? ESPECIALLY when part of your bill refers to a fraudulent police force that will not investigate what has happened to ann???
