2nd NOTICE

Warning – this letter is written by the **alive in law, executor** of the invoked **living will** of **ann** this is not written by the LEGALLY DEAD, claimed as agents of the NWO UK GOV–PLC tyranny and fraud.

The legal entity of ANN CLARKE – ceased to exist by deed poll name change recorded on 28.8.2016
The entity reclaimed by **her & her executor** not ALL CAPS LOST @ SEA, DEAD but **alive on land.**
The assumed corporate citizenship is a Fraud Ab initio and has been relinquished for the land.
Therefore **corporate jurisdiction** has finished, kaputt, zilch **TERMINATED. Do you understand!**

What is transpiring now **is trespass** upon our property. EXECUTRIX being the highest office of **land** -
The terms of the invoked **living will** preclude that under contrary to part 24 of the 1837 wills act **ann** comes under the protection of the executor with all her estate property ‘you’ have NO JURISDICTION.

The trespass of her property by J is causing both of us, **deep harm, deep loss and and very deep injury.**

2nd demand made by i man as ann’s executrix require/demand surety bonds for all concerned.

FRAUD by personage and barratry has been committed on **ann** and her executor **mike** and is demonstrated further by Jacksons instructions to the Official Solicitor as he picks and choses to deliberately obfuscate and deny access to the facts that are clear on our website www.opg.me that counsel KEENE has obviously picked up on, **demonstrating more FRAUD on top of FRAUD.**

The legal profession, BAR/CROWN has manipulated statute law to benefit itself into a masonic tyranny, a terrorist monopoly on LAW/COURTS that in turn has created a corporate dictatorship. This terrorism cannot be addressed - **blocked**, clear to see that i man, executor filed claim for man on man.

The executor here in this case clearly sees this and is a threat to their very existence and so Jackson has a very strong desire to incarcerate the executor unlawfully, with malice/bias that JACKSON is spear heading such a FRAUD. Failing this, he is denying access to **ann’s** property for her welfare, **trespass.**

Counsel’s opinion based on the supply of inadequate material and therefore forms such opinion that Jackson ‘has’ jurisdiction over ann’s property, whilst this might be true without her current alive in law status & **living will** and executor, it certainly is **not true** with the **living will** and the executrix rightfully claimed with her now, **alive in law standing**, alongside her **alive in law executor**, claiming their lawful existence and property as **allodial title** to do as they please with assumed corporate citizenship rebutted.

Additional to the above, because the executor’s lawful route to a Queens Bench jury court has been blocked by **barbara-janet fontaine** aforesaid notice served of UK-PLC corporate for profit citizenship **relinquishment**, further underlining your terrorist services are **TERMINATED.**

Any further hold over ann and her property is criminal.
STOP! WHAT YOU ARE DOING AND PROVIDE REDRESS
