Dear Mr Clarke

Thank you for your various emails of September and October addressed to Susan Acland-Hood as Chief Executive of HM Courts & Tribunals Service. I am replying on her behalf.

I note the various points and arguments you make but it is unclear from your emails what you are trying to achieve. I would also wish to alert you that I am aware of a large amount of misinformation and incorrect or false advice that has been circulated online about Article 61 of the Magna Carta 1215. This Article does not apply in current law and you may wish to seek independent legal advice on any action you intend to take.

Yours sincerely,

Christine Worsley
