Dear Helen

I wrote briefly below to you on the 19th November 2012.
I did not receive a reply.

I write again as my mother's carer over 16 years.
I have fallen victim with my mother to the hands of the Public Guardian and its deputy, to a sustained 12 year period of Mal administration, fraud, theft and criminal neglect amounting to losses to my mother of over £250,000.

In trying to expose this matter and in trying to gain Justice I have been threatened with prison via an unlawful, illegal, injunction on false harassment grounds trying to silence me.

Mental Capacity Act section 5 is supposed to protect the likes of myself but has failed miserably.
The access to representation for my mother has been repressed by the deputy.
The Judicial system has failed us too where her rights expressed in court to a common law court with jury has been ignored, a matter of treason.

I wish to be included within any review that may be forthcoming of the Public Guardian that was discussed on the 30th October 2012.

Kind regards,
Mike & Ann Clarke..
