ATTACHED STATUTORY DECLARATION

Dear Sir

I cannot comply with your request as it does not make sense.
It represents more incompetence on behalf of you & your company.

I have made and deposited to the court a statutory declaration in which I attach here once more.
The order you hold with the TREASONOUS Judge Foskitt is illegal, unlawful and VOID.

Yours faithfully

Mike & Ann Clarke

Subject: STATUTORY DECLARATION

Dear Sir

We attach the final order we obtained in the claim against you. As you know it contains a penal notice.

The email you have sent to our partners/former partners is a breach of that order namely:

3 (d) "taking any further steps to enforce or claim to be entitled to enforce the so called "Commercial Lien" or the alleged debt said to be represented by the same whether in the sum of £9M, £5M or any other sum;"

3 (e) " further communication, whether by email or otherwise howsoever, with any member of the 3rd Claimant LLP in relation to any matter concerning the so called "Commercial Lien" or the alleged debt said to be represented by the same whether in the sum of £9M, £5M or any other sum;"

Unless you now take steps to withdraw the so called commercial lien and cease emailing our partners/former partners, we will consider we have no alternative but to apply to court for a committal order.

You have until 4pm Friday 7 November 2012 to provide evidence to the writer of the withdrawal of the so called commercial lien. This time limit will not be extended and we will not enter into correspondence on the point.

Yours faithfully

Paul Jonson
