Dear Alice

Upon reading your letter in more detail I feel it only fair to update you further on the facts.

1. Mrs Clarke has made the complaint and you are well aware of that as stated on the 11.07.2012
2. I currently do not receive allowances from my mother's funds as my mother's funds have expired.
3. You have had my mother's authorisation in letters you asked for that were sent on the 11.07.2012
4. You was not aware of my new appointment as Executor in my mother's affairs where according to her 'living will' anyone whom stills claims incapacity as they do I STEP IN to assume Executor with all the powers that go with it.
5. As above I am my mother's acting Personal Representative.

I trust the information I have sent to you this weekend and copied to our MP Gordon Marsden will ensure this investigation continues with the utmost of vigour.

The corruption fraud and wrong doing in this case is substantial.

Kind regards

LIVING WILL – EXECUTOR - Mike Clarke (PERSONAL REPRESENTATIVE)

& THE AGGRIEVED - Ann Clarke
