STATUTORY DECLARATION

I, Michael Clarke, Occupation CARER of Ann Clarke

Address c/o 31 Cherry Tree Rd Blackpool FY4 4NS

Make the following declaration under the statutory declarations act 1835

It has recently come to my attention that the **CIVIL CASE No 2MA90015** of an injunction made against me on fraudulent Harassment grounds was not only;

- a) **Unlawful**; as it was conducted in my absence without my consent and where a constitutionally formed common law court with a jury was requested and was refused it also was;
- b) **Illegal**; as it breached my rights to protection against **any civil liability** whilst conducting my duties as a carer, under **Mental Capacity Act section 5**

I hereby make oath and state as follows that the order made against me is **VOID** because;

1. The allegations contained in the counter defence were of a **criminal nature** contained within a commercial lien – claim of £9 million pounds against PANNONE LLP's and therefore was not in a court of law that deals with such criminal nature in a **fair and impartial** manner and;
2. For the reasons also listed above in a. & b.

I understand that a person who intentionally makes a false statement in a statutory declaration is guilty of an offence under section 18 of the statutory declarations act 1835, and I believe that the statements in this declaration are true in every particular.
